The Secretary to Government,

S i r,

Promotions to grade Rs.125-10-175
in the Executive Establishment.

Adverting to G.O.No.EDS.438-40/Elecl.209-45-5 dated 16-8-1946 and EDS.No.505-507/Elecl.281-45-9 dated 21-8-1946 conveying sanction of Government for certain confirmations and promotions to grade Rs.125-10-175 in the Executive Establishment, I have the honour to enclose herein a statement showing my proposals for further confirmations and changes in tenures of some of the officers whose promotions to grade Rs.125-10-175 have already been approved by Government. The statement has been verified and certified by the Auditor, Electrical Department, and I request you kindly to obtain sanction of Government thereto as early as possible.

In this connection, I have to point out that the vacancy against which Mr.M.S.Krishna Rao was ordered to be confirmed in the G.O.No.EDS.505-507/Elecl.281-45-9 of 21-8-46 has to be shifted to that of Mr.V.K.Narayana Iyengar, as the confirmation of Mr.M.V.Seethappa had to be deferred as Mr.V.K.Narayana Iyengar happened to be his senior Consequently the confirmation of Mr.A.Narayan originally shown against Mr.V.K.Narayana Iyengar's vacancy has to be shifted to that of Mr.M. Nagesha Rao from a later date viz., 13-1-1946. The other changes in tenures have been proposed in the existing vacancies, so as to extend the maximum possible benefit to the officers promoted to the grade with reference to their seniority.

Since the vacancies in which Messrs.A.Srinivasiah, V.S.Balasundaram, W.P.Douglas, J.A.Gordon, S.L.Arkeswariah and K.S.Venkataswamy have been promoted in G.O.No.EDS.438-40/Elecl.209-45-5 dated 16-8-'46 admit of s.p.t. arrangement, I request you kindly to obtain the approval of Government to treat them as s.p.t.Operators in grade Rs125-10-175 from 1-7-1946, so as to admit of the s.p.t.arrangements proposed

P.T.O.

to their juniors in the present proposal.

The names of Messrs. D.S. Srikantiah and K.S. Kesava Murthy have been omitted in the list, as the former has been appointed as gazetted probationer and is drawing a salary higher than that he would draw in grade Rs125-10-175, and the latter has resigned his appointment from 1-10-1946, vide my letter No. C-398 dated 5-10-1946.

I have the honour to be,
Sir,
Your most obedient servant,

Chief Electrical Engineer.

GOVERNMENT OF MYSOR
ELECTRICAL DEPARTMENT

OFFICE OF THE CHIEF ELECTRICAL I
Bangalore, 16th March ....
(MYSORE, S. INDIA.)

The Secretary to Government,
Electrical Department,
BANGALORE.

Sir,

Promotions to grade Rs.125-10-175 in the Executive Establishment.

With reference to your letter No.EDS.3148/Elecl.33-46-22 dated 27-2-47 on the above subject, I have the honour to state as follows:-

My proposals for promotions to grade Rs.125-10-175 were sent in my letter No.4089 of 6-8-45 and not in February 1946. These proposals were framed taking into consideration the direct vacancies existing in the grade and those that would be caused by promotions to the Gazetted cadre proposed in my letter No.4064-5 of 4-5-45. The promotion to grade Rs.125-10-175 were proposed considering the seniority of each official selected for promotion, the duration of the vacancies available and the benefit accruing in each such vacancy. Therefore the promotions of Messrs. B.Nagabhushana Rao, C.Anantharaman and K.Venkatasubbiah could be proposed only on a temporary basis as the promotions of Messrs. C.T.Madappa, C.R.Narayana Rao and N.S.Srinivasa Rao to grade Rs.200-20-300 had been proposed on a temporary basis. Similarly the promotions of Messrs. Md.Siddick, T.P.Anantha Raju, G.Swasbrook and C.Ramachandraraj Urs were proposed on an acting basis. For this reason only temporary tenures were proposed to Messrs. A.Srinivasiah, V.S.Balasundaram, W.P.Douglas, J.A.Gordon and S.L.Arkeswaraiah as all their seniors were on an equal or lesser footing as regards tenure, though this variation did not involve any change whatever as regards the emoluments accruing from the promotion. Now that Messrs. C.T.Madappa, C.R.Narayana Rao, N.S.Srinivasa Rao and others

P.T.O.

who were promoted to grade Rs.200-20-300 have been treated as S.P.T. Junior Engineers in G.O.No.EDS.1157-8/Elecl.45-46-22 dated 5-11-46, it is proposed to treat the marginally noted officers as s.p.t. in grade Rs.125-10-175 and this change does not bestow on them any additional benefit as regards emoluments.

Sir,

Changes in tenures of non-permanent officers in grade Rs.125-10-175 in the Executive Establishment.

I have the honour to invite your kind reference to the marginally noted Government Orders sanctioning promotions to grade Rs.125-10-175 in Executive Establishment and changes in tenures among the officers so promoted and to state that further changes in tenures as detailed in the enclosed statement have been found necessary in order that the officers named in the statement may be entitled to the full benefit of promotion in the grades. These items were omitted by inadvertance to be included in the proposals sent with my letter No.23646 dated 13.2.194 The changes are necessary because the permanent pay of Messrs. W.J.Paul Raju and K.S.Krishna Murthy in grade Rs.80-5-125 is Rs.95/- per mensem in the period in question and unless they are provided with vacancies in grade Rs.125-10-175 in which full pay of the appointment is available for being drawn by them, they will not be entitled to reckon, for purposes of increments, such periods during which their salary in the higher grade is not equal to a stage in the grade. As such, during periods in which they hold officiating promotions in grade Rs.125-10-175 they have to draw Rs.95/- per mensem plus Acting Allowance Rs.25/- (1/5 of Rs.125/-)(or Rs.95/- plus A.A. Rs.27/-, 1/5 of Rs.135 if Rs.125/- has been drawn for 12 months) which is less than the stage pay. It is therefore proposed to treat Mr.W.J.Paul Raju as Temporary in the grade from 1-10-1945 to 30-11-1945 in the same vacancy which admits of such an arrangement owing to promotion of Mr.S.Krishnaswamy as Temporary Junior Engineer in Government Order No.EDS.1101/Elecl.305-45-4 dated

1. G.O.No.EDS.438-40/Elecl.209-45-5/16-8-46

Submitted separately put up with Ltr. No 2169

K Put up separately

(P.T.O.)

30-10-1946. The name of Mr.D.S.Srikantiah is included formally (though he does not derive any benefit herein being a gazetted probationer on Rs.150/- per mensem) as a change is involved in the period in which he was promoted as per Government Order of 16-8-1946.

The case of Mr.K.S.Krishna Murthy, B.E., is similar to that of Mr.W.J.Paul Raju in the period between 1-10-1945 and 4-10-45 and hence an inter-change of tenure of promotion is proposed between him and Mr.M.G.Sitharam who (unlike Mr.Krisha Murthy) will draw Rs.125/-, Rs.135/- and so on in grade Rs.125-10-175 whatever tenure he is given, officiating or temporary, as his permanent pay in grade Rs.80-5-125 is Rs.120/- per mensem from 1-9-1944.

All these officers have of course been promoted as S.P.T. Operators, etc., in the grade from dates commencing from 13-1-1946 as per G.O.No.EDS.3423-5/Elecl.38-46-32 dated 26-3-1947.

Under the circumstances I would request you kindly to obtain approval of Government to the changes in tenures detailed in the statement. The Auditor's Certificate of admissibility of these is furnished in the Statement.

I have the honour to be,
Sir.
Your most obedient servant,

Chief Electrical Engineer. 3/5

Submitted.

As has been noted in two other cases re promotions etc. to the grade of Rs.125-10-175, it will be desirable to get consolidated proposals in this behalf duly verified by the Auditor, Elect. Dept - instead of such piecemeal proposals.

OFFICE OF THE CHIEF ELECTRICAL ENGINEER,

MYSORE, S. INDIA — 2166 — 8-5-1947

To

The Secretary to Government,
Electrical Department,
Bangalore.

Sir,

Promotions in Gazetted Establishment.

With reference to your letter No.EDS.3362/Elect.45-46-84 dated 15-3-1947, stating that promotions in gazetted Establishment proposed in my letter No.23900 dated 20-2-1947 will have to lie over until an up-to-date gradation list of all cadres of the Executive Establishment are sent to Government, I have the honour to state that the proposals sent in my letter of 20th February 1947 are for promotions from one cadre to the next within the gazetted Establishment itself. The up-to-date Gradation List of gazetted Establishment having been sent in my letter No.22659 dated 4-2-1947, proposals for promotions within the gazetted cadre itself are verifiable from this list and hence there appears to be no need to postpone promotions in question till gradation lists of grades, Rs.80-5-125 and Rs.35-5/2-80 are ready. Further, such a postponement will cause a locking up of vacancies in grade Rs.125-10-175 and Rs.80-5-125 which will have to be filled up if officers who have been posted for higher duties, are to be extended the benefit of higher remuneration commensurate with the heavy duties and responsibilities entrusted to them.

In this connection I wish to inform you that the work of compiling the gradation lists of grades Rs.80-5-125, Rs.35-5/2-80, in the Executive Establishment and the lists ~~regarding~~ relating to ministerial establishment is in progress and further time is necessary for their completion as the appointments in these grades are far higher in number than in the other grades.

Under these circumstances, I would request you kindly to obtain sanction of Government for the promotions detailed in my letter No.

(P.T.O.)

No.23900 dated 20-2-1947 as also for the following proposals for continuing promotions in grade Rs.125-10-175. The certificate of the Auditor, Electrical Department, regarding the following proposals are furnished below:-

1. Mr.P.R.Puttaswamy Setty, B.E., (whose promotion to grade Rs.125-10-175 sanctioned in Government Order No.EDS. 3423-5/Elecl.33-46-32 dated 26-3-1947 ceased on 14-2-47 on termination of the vacancy) be continued as Temporary Operator in grade Rs.125-10-175 from 15-2-1947 vice Mr.C.Ramachandra proposed for continuation as Junior Engineer.

2. Mr.T.N.Shamanna (whose promotion to grade Rs.125-10-175 sanctioned in Government Order No.EDS.3423-5/Elecl. 33-46-32 dated 26-3-1947 ceased on 30-9-1946) be continued as Acting Operator in grade Rs.125-10-175 from 15-2-1947 onwards vice Mr.N.S.Ramanathan proposed for continuation as Junior Engineer. Separate proposals have been sent up to continue him in the grade from 1-10-46 to 14-2-47 inclusive.

Sir,

Confirmations and changes in tenures in grade Rs.125-10-175.

L)

Adverting to G.O.No.EDS.3423-5/Elecl.33-46-32 dated 26-3-1947 I have the honour to enclose herein a statement showing details of proposals for confirmations and changes in tenures of officers who have already been promoted to grade Rs.125-10-175 and request you kindly to obtain sanction of Government thereto as early as possible. The proposals have been verified by the Auditor, Electrical Department, and necessary certificate recorded on the statement.

Messrs. H.K.Venkataramiah and M.Kadiah have been proposed for confirmation in grade being next senior non-permanent officers in the grade to Mr.A.Narayan who was recently confirmed in the grade. The other changes of tenures are necessary for the following reasons:-

Mr.B.Chandrasekhar has to be continued in the grade along with his other colleagues and is hence proposed to be shifted to the vacancy released by Mr.H.K.Venkataramiah.

Mr.R.K.Cowsik's promotion is likely to cease on or after 15-4-1947 as the construction of Mysore-Bhadravathi II Transmission Line is over and Mr.Uthiah will be withdrawn shortly. Hence it is proposed to continue Mr.R.K.Cowsik in the vacancy released by Mr.M.Kadiah.

Consequent on the confirmation proposed for Mr.M.Kadiah in the vacancy caused by the retirement of Mr.B.V.Lakshmiah, Mr.A.Srinivasalu Naidu's promotion will have to cease from 1-1-1947. In order to continue his promotion it is proposed to count him in the vacancy caused by the promotion of Mr.A.B.Welsh.

M) The vacancy in which Mr.K.Sriramulu was counted as per item 23 of the Government Order of 26-3-1947 ceased on 14-2-47 afternoon. He is therefore proposed to be continued in one of the temporary appointments sanctioned for J.P.S. This proposal could not be included in my letter No.23446 dated 13-2-1947 as no officer had been posted then against the appointment. With a view to speed up the progress of work one officer has been posted recently.

(P.T.O.)

Promotion of Mr.T.N.Shamanna ~~appointed~~ ordered in G.O.No.EDS. 3423-5 dated 26-3-1947 ceased on 30-9-1946 and hence it is proposed to continue him in the grade up to 14-2-1947 in available vacancies.

I have the honour to be,
Sir.
Your most obedient servant,

Chief Electrical Engineer.

Sir,

Subject:-Confirmations and changes in tenures of Operators in grade Rs.125-10-175.

With reference to your letter No.EDS.3995 Elecl.33-46-57 dated 28-5-1947 calling for a consolidated statement of my proposals contained in my letters No.32760, 32645 and 32649 dated 7-5-1947 on the above subject I have the honour to state as follows:-

1. The proposals contained in my letter No.32645 dated 7-5-1947 relate to an old period and are a modification on the promotions ordered in grade Rs.125-10-175 so far, the purpose being to extend full benefits of the grade to all officials consistent with seniority. The proposals contained in my letter No. 32760 dated 7-5-47 relate to confirmations in existing vacancies and consequent changes in tenures as also confirmation of promotions of some Operators in the grade, in clear and direct vacancies. Unlike the above two cases the proposals contained in my letter No.32649 dated 7-5-47 are susceptible of consideration by Government after the promotions of Messrs. G.M.Krishna Murthy, M.R.Sitaram, C. Ramachandra and N.S. Ramanathan are approved by Government. As such, each of these is self-contained and has no relation whatever with the others. Further combination of the first one with others makes room for confusion. Combination of the second and third will cause hardship to Operators other than Messrs.P.R.Puttaswami Setty and T.N. Shamanna whose promotions

P.T.O.

recommended in letter No.32649 dated 7-5-47 will have to be deferred until promotions of Messrs. G.M.Krishna Murthy and M.R.Sitaram are sanctioned by Government vide Auditor's certificate on the said letter. In order to avoid the inconvenience to which the operators would be put to, the proposals were not linked up but submitted to Government separately. However, as the admissibility of proposals contained in letters No.32645 and 32760 dated 7-5-1947 has been certified by the Auditor, Electrical Department and a postponement of their consideration will put the officials, who have been posted for responsible duties, to hardship, I would request you kindly to obtain sanction of Government to each of the proposals separately as early as possible.

I have the honour to be,
Sir,
Your most obedient servant,

CHIEF ELECTRICAL ENGINEER. 30/6
